Thank You!

To All the Great People:

I was in a room on the first floor. I was feeling down as my family is in VA Beach.

Starting with the emergency room and then all the people that showed me they cared. My experience was as good as it gets.

I just want to thank all Doctors and Nurses and Staff. I can't mention names as I might forget some, and these people are all very important to me.

God Bless all of you and Thank You,

Nancy Grubbs
