**11:30 a.m. – 1:30 p.m.**  
**11:30 a.m.**  
**Augusta Health**  
**Augusta Community Care Bldg. – Rms. 2 & 3**  
**Minutes**

***Meeting Focus: You, the Members and Valley eLink***

**Welcome/Introduction of First-time Participants**

Carol Blair, Chair, extended a welcome to all present today.

**One Minute Feature from each of our Forum members**

All members present today, shared one minute about them, their organization, and their role in the health of our community.

**Valley eLink – A website resource tool to assist you and your clients**

Dustin Wright with Valley Community Services Board presented information about Valley eLink which was created by him to assist providers and clients in finding community resources to help persons deal with issues concerning them.

He presented an overview of the website and asked persons present to try to find information about certain questions by navigating the links.

**Report from Prenatal Task Force**

Dr. Larsen and Linda Gail Johnson pointed out the vitamin man display created by the prenatal task force to assist in educating pregnant women and others about the importance of vitamins and their health.

**Planned Networking Time**

Some networking time was planned at the end of this meeting for those present to connect with others.

**Adjournment**

The meeting adjourned at 1:30 p.m. Flu vaccines were offered by Community Wellness after the meeting today.

***Next Meeting: Friday, March 23, 2012 – meeting announcement will be posted on the Forum website at [www.communityhealthforum.org](http://www.communityhealthforum.org)***
