

Join us for our latest Women's lecture series  
***"If Bladder Control Problems Are Affecting You,  
It's Time To Take Action"***

**When:** Tuesday, March 23 at 5:30pm

**Where:** Augusta Community Care Building  
Conference Room #3

***Presented by Reneita Ross, M.D.***  
Urogynecology & Pelvic Reconstructive Surgery

**Don't Suffer in Silence**

More than 30 percent of women are affected. Pelvic floor issues hit women of all age groups, from the 20s to the 90s. Fortunately, treatments can be very successful.
