

# VOLUNTEERS NEEDED!

Central Shenandoah Health District needs **medical and non-medical** volunteers to assist with the COVID-19 pandemic response. Example volunteer roles include:

- **Vaccinators**
- **Clinic registration/ Greeters**
- **Health education**
- **Testers (nasal swab testing) and support roles for testing teams**
- **Logistical support for vaccine clinics**
- **Translation help**
- **Clerical/data entry/IT support**
- **Runners/helpers**

Sign Up for the Medical Reserve Corps (MRC):  
<http://www.vdh.virginia.gov/mrc/apply-to-volunteer>

**Northwest**  
VIRGINIA

By volunteering to help through the MRC, you will be helping your community to effectively respond to the global pandemic. With your help, we can get to the other side of this pandemic and work towards getting back to normal!
