**Collaborate** with confidence.

**Strengthen** clinical decisions.

**Elevate** patient care.

With eConsults, ACP providers collaborate with Mayo Clinic specialists and sub-specialists for a second opinion and clinical guidance on complex patient cases.

To date, ACP providers have submitted 146 eConsults across 18 different specialties to Mayo Clinic. eConsults have proven to be a valuable tool in assisting with diagnosis, guiding treatment decisions, and enhancing patient care.
